Dear Sir

We were officially endorsed to you by Mr. Eldie Quilloy and Ms. Lala of FMB-DENR to coordinate the release of our long-pending application for WPP. We were advised that as of 5 November, your good office has already received the latest set of compliance documents as endorsed by CENRO-Brooke's Point and PENRO-Palawan. May we know the latest status. Likewise, and in the absence of the WPP, may we follow-up our request for a provisional WPP? As we have time and again reiterated the importance of this document in pursuance to our business objective which unfortunately has already experienced unnecessary delay in our start-up operations.

Your prompt reply on this matter will be highly appreciated.

Kind regards,

Pierre R. Ordoña
