The Mines and Geosciences Bureau wishes to invite you to the virtual mining stakeholders' forum entitled, #MineResponsibility: Know Mine, Know Life. This event aims to share the recent mining policies released by MGB to various mining industry stakeholders and to spread awareness on MGB's mandates in promoting responsible mining for national development.

The forum will be held on November 18-19, 2021 from 8:30am to 12:00pm via Zoom and will be streamed via Facebook Live.

Register for this webinar:
