MIMAROPA Regional Ecotourism Committee

Dear **Director Ferrer**:

We received a communication from the Central Office, DILG, informing this office regarding the concern of Engr. Junie B. Bacolot Building Official of LGU El Nido, on the implementation of RA 11032, also known as "Ease of Doing Business and the Efficient Government Service Delivery Act of 2018" vis-à-vis the letter signed by the Tri-Agency: DILG-DENR-DOT declaring a moratorium on the issuance of all permits for the construction of all new buildings and any improvement on existing structure until the study on carrying capacity of El Nido is completed. Engr. Bacolot expressed that the study has already been done but El Nido has received no letter from the concerned agencies on the lifting of the said moratorium.

Since the matter is concerning the DILG, DENR and DOT, we would like to request that this be included for discussion in the 4th Quarter Meeting of the Regional Ecotourism Committee (REC). Should there be anything we need to prepare in line with the said request, please feel free to contact **Engr. Michael Casto A. Ras II**, LGOO V at mobile number **0995 995 9900**.

For your consideration. Thank you.

Very truly yours,

WILHELM M. SUYKO, CESO IV
