Dear Sir Ronie,

Good day!

This is to acknowledge the receipt of your email.

This is also to confirm my acknowledgement on your letters dated June 28, 2021 and August 11, 2021, to which my request was denied by your office relative to the status of Lot 328, PLS 232.

To clarify, what I am following-up with with the DENR Regional Office is their action or reply in compliance to the memo issued by the Regional Director dated August 26, 2021 (*attached*) address to your office, in response to my letter dated August 7, 2021 (*attached*), pertaining to my request and clarification over Lot 328, PLS 232.

In one of the remarks from the Enforcement Division last October 6, 2021, they explained that they have already coordinated with your office regarding the memo and no response is submitted. They are waiting for your report to make an action on my request, that is why I copy furnished your office on my follow-up this morning.

Thank you and keep safe!
