To whom it may concern:

We received an offer about (a) property/ies for sale located in Brgy. Sta. Monica, San Vicente, Puerto Princesa, Palawan. Due to logistical challenges at the moment, we hope to be able to verify ownership and status of the property.

We were only provided with copies of Tax Declaration but the land size is not indicated. Will we be able to verify ownership and property status via email?

I can send a copy of the tax declaration if needed and if possible to verify over email.

Appreciate your kind advice.

Yours truly,

Louise Orleans Aguilarmi
