DENR by the Bay, Ermita, Manila

Dear MIMAROPA DENR Director Ferrer,

Greetings, may this reach you well.

This is in regard with the approved request for clearance to cut planted mahogany trees within a private land owned by the undersigned covered by KOT blg. P21761 located at Brgy. Balogo, Boac, Marinduque.

In reference DMO 2012-02 Uniform Replacement Ration for Cut or Relocated Trees. Since the request was made last year, August 2020 and only approved by June 2021 and duly served, received only recently Nov 22 this year, the undersigned has nothing against the national green program but the processes take too long.

May the undersigned be granted permission to revoke and cancel his request.

For your consideration.

Edgardo J. Nobleza
