Dear **RDC members and stakeholders**,

This has reference to the Regional Development Council (RDC) Resolution No. 2021-075-997, approving and adopting the Gender and Development Mechanisms Profiling and Inventory of GAD Policies Form and enjoining all government instrumentalities in MIMAROPA to accomplish and submit the form to Regional GAD Committee MIMAROPA (refer to attached resolution).

The profiling and inventory tool was developed by the RGADC MIMAROPA to gather information on the preparation and submission of GAD plan and budget and GAD accomplishment reports, formulation of GAD code/agenda, establishment of GAD Focal Point System (GFPS), development of GAD database, and adoption and implementation of GAD policies of the agencies, local government units, state universities and colleges and other government instrumentalities and assess the GAD mainstreaming efforts in the region.

The approved form was converted by the RGADC Technical Working Group to an online form in order to facilitate and ensure efficiency in the administration and analysis.

In view of this, may we request your GFPS or a team that you will authorize to accomplish the form through this link <https://bit.ly/3nGi2by> on or before **December 3, 2021 (Friday)**. Only one submission is required per agency.

It is also recommended that the agency's GFPS convene first to discuss the indicators and information asked before completing the online form. Attached is the copy of the profiling and inventory form for their reference.

For any clarification, please contact the RGADC Secretariat through email at drdneda4b@gmail.com.

Thank you.

AGUSTIN C. MENDOZA

RDC Vice-Chairperson and
Regional Director, NEDA MIMAROPA
