MARIA LOURDES C. FERRER, CESO III

Regional Executive Director
DENR MIMAROPA Region
DENR By the Bay Bldg. 1515 Roxas Boulevard,
Ermita, Manila

Dear Director Ferrer:

Good day!

This is relative to my letter to addressed to your office dated August 7, 2021 (*as attached*) regarding my conduct of inquiry and request for Lot 328, PLS 232 situated at Sitio Araren Bgy. New Barbacan Roxas, Palawan. On August 27, 2021, your office issued a memo for PENRO-Palawan and CENRO-Roxas, Palawan (*as attached*), directing them to conduct a fact-finding investigation, take appropriate action in accordance with R.A. 11032 and submit a report within seven (7) days with comments and recommendation relevant to the raised matters.

With constant follow-up every week since I acknowledged the memo from your office (*as attached*), I was informed that it was forwarded to Enforcement Division for proper action. Last October 26, 2021, as per inquiry, it was relayed to me that as per RDATS, they have already coordinated with CENRO-Roxas, however no report was yet to be submitted.

With this, I would like to respectfully follow up again for any action or recommendation regarding my concerns and inquiry. It has been more than two (2) months already, but I haven't received any concrete feedback on the matters raised to your office.

I am hoping for your immediate response on this the soonest time possible to you.

Thank you and keep safe always.

Sincerely,

JOHN REY G. CAYABO

MARIA LOURDES C. FERRER, CESO III

Regional Executive Director
DENR MIMAROPA Region
DENR By the Bay Bldg. 1515 Roxas Boulevard,
Ermita, Manila

Dear Regional Director Ferrer,

Greetings of peace and good health!

This is relative to my conduct of inquiry over Lot 328, PLS 232, situated at Sitio Araren Bgy. New Barbacan Roxas, Palawan; covered by Homestead Application No. 2-1237 under the name of my late grandfather Honorio M. Cayabo, which was duly approved last January 17, 1956 (*attached herewith as Annex A*).

On June 9, 2021, the undersigned made an inquiry thru official email address of CENRO-Roxas since the office was on lockdown due to Covid-19, and requested for a certification regarding on the current status of the above mentioned lot, as well as true copies of all pertinent documents. On June 21, 2021, CENRO-Roxas responded to my email and issued a letter describing the land classification of Lot 328, PLS 232 to be Agricultural: Alienable and disposable (*attached herewith as Annex B*). The office also gave out a Certification confirming that the H.A. No. 2-1237 of the late grandfather over the queried lot was already **CANCELLED** (*attached herewith as Annex C*).

For validation purposes and our reference, I sent again a request on the same day of June 21, 2021 at CENRO-Roxas, that we may be provided true copies of Order of Cancellation for H.A No. 2-1237. Thereafter, on July 21, 2021, the office mailed me a letter dated July 1, 2021 (*attached as Annex D*), informing and notifying that the said documents were not on the list/inventory of documents kept by the CENRO-Roxas Records Office. They further explained that their basis for affirming that HA No. 2-1237 was already cancelled is only an index card and list of inventory of cancelled homestead application (*attached herewith as Annex E and Annex F*).

Upon the advice of our legal counsel, we surely have the right to demand for true copies of Order of Cancellation or any resolution to warrant and ascertain the cancellation of the homestead application. Without these instruments or documents to validate the cancellation, we thereby stand firm and counter that cancelled status has no bearing at all. Absence of evidence or proof thereby suggests its non-existence and unjustifiability. I believed with all my knowledge,

that an index card only, without any other legal and valid documents cannot ascertain and substantiate the legitimacy of the cancellation.

Lastly, this letter further respectfully request and appeal your authority that the cancelled status/cancellation of the H.A No. 2-1237 be revoked and that the property be re-listed and reinstated under our name as heirs of Honorio M. Cayabo. Our family has been in possession of the land for years since the passing of our patriarch, supported by a Certification from Bgy. New Barbacan (*attached as Annex G*) and Tax Declaration Number No. 18-20-019-0109 (*attached as Annex H*) respectively.

We are hopeful that your good office and current administration will promptly take necessary actions regarding our concern and will exert effort the soonest time possible.

Respectfully yours,

JOHN REY G. CAYABO
Heir

Sir/Maam,

Good day!

Would like to ask for any updates or action taken regarding my concern which is also relative to the memo issued by the Regional Director last 08/26/2021 as attached. The RD also emphasized in her memoranda to take appropriate action in compliance to RA 11032. Frequent follow-ups have been made but no positive and clear feedback as of this time.
