**SUBJECT: Twenty-three (23) SMART cell sites for SLUP/ SAPA application**

Dear Dir. Ferrer,

Greetings from Smart Communications!

This is regarding twenty-three (23) Smart cell sites located in the forested or protected areas of Marinduque, Occidental Mindoro, Palawan and Romblon. We would like to express our intention of completing the Special Land Use Permit, and Special Agreement on Protected Area applications on these twenty-three (23) sites. At the moment, we are compiling the various documentary requirements and we are also in touch with the local CENRO and NCIP offices in our efforts to complete all necessary fees and requirements.

Moreover, we would like to further discuss with your good office the following:

- Request for guidance on sites under the forested land of DENR, but also have Private Lessors.
- Treatment of inactive towers for dismantling where we wish to explore the possibility of donating them instead.

With the above, I hope that you can accommodate an online meeting at your most convenient time. For any clarifications or concerns, please do not hesitate to contact Mr. Gab Abeline at 09473372014/ [gaabelinde@smart.com.ph](mailto:gaabelinde@smart.com.ph) or Mr. Jake Robillo at 09285044892 / [jvrobillo@pldt.com.ph](mailto:jvrobillo@pldt.com.ph).

Thank you very much!

Yours sincerely and respectfully,

**Jonathan D. Huertas**
