Dear **SEC. CIMATU,**

The Provincial Government of Oriental Mindoro, in its aim to maximize the economic potentials of our farmers, has forged partnership with the Department of Agriculture through the Philippine Rural Development Project (PRDP), a six-year program investing and implementing farm-to-market road (FMR) infrastructure projects in support of agri-fishery enterprises. There are two (2) identified infrastructure subprojects in the province proposed for funding under the PRDP:
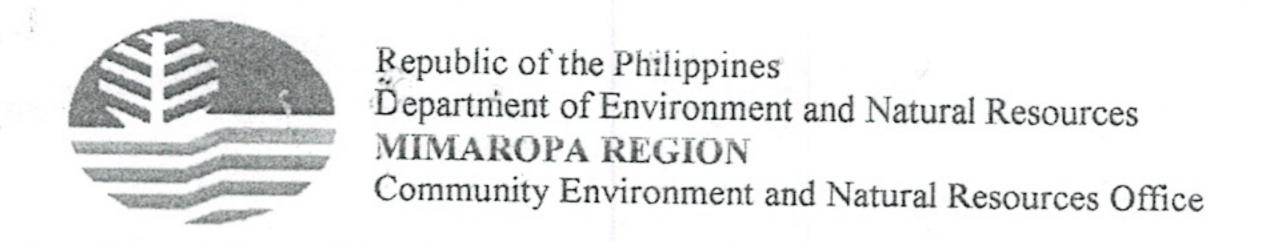

1. *Construction/ Rehabilitation of Rosacara FMR with Bridge* in Rosacara, Bansud;
2. *Construction/Concreting of Merit to Bugtong Na Tuog FMR with Bridge* in Merit, Victoria to Bugtong na Tuog, Socorro.

Relative to this, may we respectfully apply for a Gratuitous Special Land-Use Permit (GSLUP) for each of the proposed FMRs. The said permit is deemed necessary to be able to proceed with prioritization and approval of the aforesaid subprojects. Further, we would like to request your assistance through the Community Environment and Natural Resources Office (CENRO) in facilitating the required documents necessary in securing the land tenure instrument.

We look forward to your utmost support to this endeavor to continuously provide vital infrastructure development that will improve quality of life of our agricultural stakeholders and indigenous communities towards inclusive rural growth.

Very truly yours,

GOVERNOR HUMERLITO A. DOLOR, MPA, PhD.
Vice President for Luzon South, League of Provinces of the Philippines
