Dear All,

The Philippines is one of the member countries of the AFoCO, which entered into a formal agreement last 2019. AFoCO is an international organization established to strengthen regional forest cooperation among Asian member countries.

Currently, the AFoCO Secretariat is initiating an online survey to explore how forests and nature have altered or impacted the lives of people in Asia during the pandemic, with focus on member countries of AFoCO.

To participate in the online survey, please follow this link:
