Dear Madam,

I would like to request for a copy of the result of the investigation regarding the issuance of patent and titling of Lot No. 0452051103, located at Mahal na Pangalan, Calapan City, Oriental Mindoro which was titled and approved by CENRO Calapan City, Calapan Oriental Mindoro.

My brother, Wilfredo Caballero, had requested for this investigation last June 15, 2016 and also has been following up on this at PENRO and has waited for an update ever since. I have attached his letter of request to former DENR Regional Director Oscar C. Dominguez. May we kindly be given a copy of said investigation result as we believe this parcel of land is part of the salvage zone area, and that it is not allowed to build structures of any kind within the 20-meter salvage zone area. This is under Article 51, of the Presidential Decree No. 1067 otherwise known as "The Water Code of the Philippines" Salvage Zone.

Today, I have repeatedly been calling DENR trunk line number 8249-33-67, but it only says "all lines are busy now" and I cannot get through.

I have copy furnished this email to Miss Mary June F. Maypa of PENRO Oriental Mindoro to update her also on this request.

Kindly acknowledge receipt of this email. Thank you for your kind consideration.

Sincerely yours,

Miriam Caballero Lucas
