Hi everyone!

Thank you for your participation during our meeting earlier.

As agreed, may I send you the following:

1. Estimated Budgetary Requirement for GF Assessors Training
2. Application Form for trainees
3. List of Requirements
4. Group photo
5. Zoom recording

In addition, in preparation for upcoming Assessors Training, please take note of/consider the following:

1. Availability of diving operators in the area/site;
 - Fewer operators mean fewer assessors can be trained
2. Weather conditions
3. Funding will be downloaded to Regional Offices
4. Maximum of 4-6 assessor trainees per batch may be accommodate
5. Site health protocols (if there are any)

We hope to receive the accomplished application forms [on or before October 15, 2021](#) so we could forward them to the Reef World Foundation for evaluation/feedback.

We will be having more conversations about this to polish preparations. For any concerns/assistance you need, please feel free to message us anytime.

Thanks once again!

All for the best,

GRICK CORDERO, LPT

Ecosystems Management Specialist I

DENR Biodiversity Management Bureau

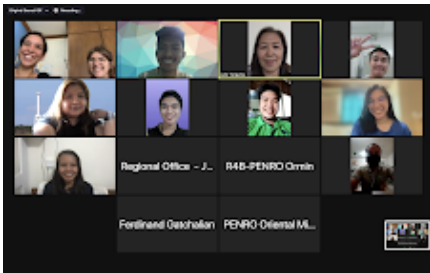

Coastal and Marine Division
