Dear Ma'am Nieves,

Hope you are well. May we ask how much the POs are earning (monthly or annual income) from the livelihood before and during this pandemic? This information is needed for the photo caption for better appreciation of the project initiatives.

We hope you can provide this necessary information. Thank you!

Regards,
FASPS-PMED

Sir/Madam,

These are acknowledged. Thank you very much for your response to our request!

Regards,
DENR-FASPS
