Subject: Fwd: Invitation to the COP26 Virtual Ocean Pavilion

To: <edrbasug@denr.gov.ph>

Dear Elen:

I hope that you and your family are all well.

I would like to invite you and your colleagues at DENR to the COP26 Virtual Ocean Pavilion. It is open to everyone who is interested in the oceans and its intricate relationship to climate change.

Please feel free to disseminate this invitation to the DENR network. I'm sure that officials and staff will find something useful if they visit the Pavilion and explore what it offers. It will be open from 31 October until 12 November 2021.

Thank you and best wishes,  
Miriam

+++

### Invitation

Join us at the [COP26 Virtual Ocean Pavilion](#) for access to live and on-demand COP26 ocean events, to explore virtual exhibition booths and discover the Treasure Trove to learn more about the ocean and climate connection. Dedicated to showcasing why the ocean matters in climate negotiations and to all life on our planet, the pavilion initiative aims to increase knowledge, commitment and action for the ocean-climate nexus at the UN Climate Conference ([COP26](#)) in Glasgow this November.

### Participation

[Register](#) now for free access to live ocean events on November 1, 5, and 12, an overview of oceans events at COP26 and the option to view on-demand content from 31 October - 12 November. All you will need is a Wi-Fi connection and a smart phone, tablet, or computer.

### Features

This pavilion will:

- Highlight important ocean events, such as those planned by the UNFCCC Secretariat under the Subsidiary Body for Scientific and Technological Advice ([SBSTA](#)), the Marrakech Partnership for Global Climate Action ([MP-GCA](#)), and VOP collaborating partners;
- Host panel sessions linking the ocean with the themes of the GCA events and SBSTA Ocean and Climate Change Dialogue themes to provide input to these discussions;
- Feature interviews with Party negotiators and representatives of non-Party stakeholders to gain insights on the status of discussions;
- Provide a gateway to ocean and climate stories from around the world through virtual exhibits, on-demand videos, reports and other online resources.

### Contribute

We invite you to register your COP26 ocean-related events in the [Ocean Events Tracker](#) organized by the Ocean Conservancy. Entries will become part of a calendar of ocean events accessible through the Virtual Ocean Pavilion.

### Co-organizers

Coordinated by the [Global Ocean Forum](#), [Plymouth Marine Laboratory](#), Ocean Policy Research Institute ([OPRI](#)) of the Sasakawa Peace Foundation, the [Oceano Azul Foundation](#), and the Intergovernmental Oceanographic Commission ([IOC](#)) of UNESCO under the Roadmap to Oceans and Climate Action ([ROCA](#)) Initiative, in collaboration with many other partners from across the globe.
