Greetings everyone,

This pertains to the meeting scheduled on 4 November 2021 via Zoom to follow through on the agreements made during the Webinar on Data Analysis and Operationalization of Science-Based Real-Time Watershed Monitoring Instrument last August 17-19, 2021, with the following main agenda:

- NWRB Presentation on the protocol on site selection, installation, along with budgetary requirement on the establishment of CTD Groundwater Sensor;
- 15-min Regional presentation of the Quarterly Report (Jul-Sep 2021) on visualization and analysis of data from the Watershed Monitoring Instruments (10-min presentation and 5-minute open forum).

In this regard, please find herein the Notice of Meeting, the program of activities, and the format for the quarterly report, for your reference and guide.
