Dear CENRO- Roxas,

We write to you on behalf of our client BINGA BEACH BROTHERS, INC., ("BBB") concerning the Real-Time Kinematics ("RTK") survey that was conducted on their property situated at Sitio Lumambong, Barangay Binga, San Vicente, Palawan.

On 28 July 2020, our office received a copy of the Memorandum from the Regional Executive Director concerning the result of the RTK survey conduct, instructing your good office to deploy a team to conduct delineation of 20- and 40-meters easement under P.D. 1067 on the stretch of the beach and issue Notice to Vacate (NTV) to owners of structures found within the easement zone.

To date, we have not yet received any development on the order of the Regional Executive Director. In view of this, we humbly request your good office an update on where we are on the matter mentioned above.

Thank you very much.

Best regards,

Kim Gaza
