Dear Mr. Gavin D. Edjawan, Mnsa,

Greetings from PayMaya,

I am Nikka Mae Ronato a part of the Government Acquiring team of PayMaya and would like to share with you our request for a meeting regarding our proposal for payment solutions for Department of Environment and Natural Resources that even if we are amid the current COVID-19 pandemic situation, we at PayMaya Enterprise are committed to support the Government's initiatives to go digital.

We'd like to offer a simple and secure way of accepting online payments with PayMaya Checkout and Face to face payments via QR/POS using PayMaya One that could integrate multiple E wallets and credit cards. This solution would also work best for your programs to ensure social distancing and faster payment transactions.

Would like to seek on when would be the best time that you may be able to accommodate us to further share.

Truly looking forward to hearing from you soon.

Thank you!

Regards,
Nikka Mae Ronato

October 18, 2021

MR. GAVIN D. EDJAWAN, MNSA

Head Executive Assistant

Department of Environment and Natural Resources

Dear Mr. Edjawan,

Greetings from PayMaya! We hope this letter finds you safe and well.

PayMaya Philippines, Inc. is the digital financial services arm of Voyager Innovations, the leading technology company in the country. We are focused on developing customer-centric emerging market platforms in the areas of digital payments, financial technology, and marketing technologies.

In 2018, Voyager raised the largest funding to date in Philippine technology industry with Kohlberg Kravis Roberts & Co. (KKR), Tencent and World Bank's International Finance Corp. (IFC) and IFC Emerging Asia Fund, joining PLDT as investors.

We are pleased to introduce and offer you our PayMaya Payment Acceptance Solution (**Annex A**) that will help digitize payments and promote operational efficiency of (Agency/ Department).

This partnership aims to do the following:

Enhance your online platform to accept various modes of payments
Implement a secure means of facilitating payment transactions; and
Help improve the customer experience by utilizing the latest technology for acceptance

We would like to request for a meeting with you to further discuss our proposed collaboration. You may contact me at ma.martinez@paymaya.com or +639190915850. Thank you and we look forward to starting a mutually valuable partnership with you.

Sincerely,

Ma Monique Grace B. Martinez
Government Acquiring
PayMaya Phils. Inc.

ANNEX A

PayMaya Business Solutions

Checkout - a single payment online acceptance where customers are redirected to our hosted payment page to securely capture card information.

Email Invoice - enables you to send billing invoices (payment link) to your customers via email even without having a webshop of your own.

Our payment solutions can accept the following payment methods:

Visa/MasterCard/JCB (Card Schemes) – payment networks linked to payment cards such as credit and debit cards.

PayMaya QR - a digital wallet service wherein a PayMaya user may pay any availed product or service through scanning of the Merchant's assigned QR Code through their PayMaya App. With this service, you will be able to tap millions and millions of PayMaya users across the country.

Pay with PayMaya (PWP) - enables merchants to have PayMaya Wallets Acceptance for online channel. This feature supports one-time and recurring payments for various use-cases. With PWP, customers can pay for their purchases conveniently by just inputting the mobile number linked to their PayMaya account.

Other mobile wallets, ie. Gcash, WeChat Pay, GrabPay
