Dear Ms. Ferrer:

Our information technology students are encouraged to undergo training in computer related jobs in order to enhance their knowledge and skills learned in the classroom.

We are confident that your establishment will be of great help in developing our students to become responsible practitioners in the field of information technology.

May I therefore request that **MS. ANGELA MARIE S. CANTOS** be given the opportunity to undergo on-the-job training in your company to be able to meet the following requirements:

- Five Hundred (500) training hours
- Certificate of Completion
- Company ID / Time Card

Hoping for your favorable action on this request.

Thank you very much.

Very truly yours,
