To whom this may concern,

My name is Jasper, I'm a fourth-year student at the Philippine Christian University studying Bachelor of Science in Information Technology. Our curriculum encourages us to undergo training to enhance our knowledge and skills that we have learned in school.

I am reaching out to you as I am very interested in joining your organization as an intern. For your reference, attached is my resume and recommendation letter from my school for your review.

I am looking forward to hearing from you.

Thank you and Stay Safe,

Jasper Pinangang
