**MEMORANDUM**

**FOR** : The OIC, PENR Officer

**THRU** : The Chief, Technical Services Division

**FROM** : The CSC Evaluation Team

**SUBJECT** : SUMMARY REPORT ON THE PERFORMANCE EVALUATION OF HOLDERS OF STEWARDSHIP CONTRACTS (CSCs) LOCATED IN BRGY. CANAT, BOAC, MARINDUQUE.

In compliance to our target activities for CY 2021 (A.03.g.1, Permit Issuance and Monitoring of Forest and Forest Resource Use, Assessment of CSCs) and per PENRO Special Order No. 2020-008 re: "Creation of Evaluation Team to Conduct Assessment/Performance Evaluation of Holders of Stewardship Contracts (CSCs)", respectfully submitting herewith is the Summary Report on the Performance Evaluation of Holders of Stewardship Contracts (CSCs), as our output on the assessment activities conducted at Barangay Canat, Boac, Marinduque.

As a background, Certificate of Stewardship Contracts were issued to CSC holders in at Barangay Canat in 1992 by virtue of "Letter of Instruction 1260", dated July 28, 1992. The awarded lots fall within Timberland Block-E, Project No. 1 and 2 of Boac, Marinduque, per BF LC Map 789, dated November 22, 1928.

**ACTIVITY / RESULTS / FINDINGS AND RECOMMENDATION:**

1. That before the team proceed to Barangay Canat, Boac, Marinduque several preliminary activities were taken in the Office such as map compilation, gathering of the list of CSC holders and coordination with concerned Barangay Officials;

2. That team scheduled an orientation meeting regarding the assessment and evaluation of the awarded CSC lots which was held on May 20, 2021 together with the concerned CSC holders and Barangay Officials at Barangay Hall of Canat, Boac, and attended to their queries;
3. That based on PENR Office record, a total of Eighty-Nine (89) lots with Certificate of Stewardship Contracts (CSC) were awarded to some residents of Barangay Canat, Boac, Marinduque;
4. That a total of Eighteen (18) CSC lots were assessed and evaluated in the area by team.
5. That per ground verification, most of the CSC holders were already deceased and presently being managed by holders next of kin or relatives;
6. Actual assessment and evaluation, revealed that their CSC lots were actually cultivated and developed by immediate relatives or next-of-kins of holders especially the deceased holders. It was observed that the awarded lots are generally utilized for agricultural production purposes. Various agricultural crops, fruit trees, including forest trees were planted in the CSC areas. Coconut, banana, fruit trees such as lanzones, suha, avocado, mango, jackfruit, forest trees like Gmelina and Mahogany are the common species introduced as well as root crops which includes camote, cassava, singapore. They also planted the tiger grass/tambo *within* the CSC areas which was used in making "walis tambo". Their lots were generally found on hilly lands and along rivers or creeks. Naturally growing trees like acacia, dita, tibig, jautil and other lesser-known species were found intact or maintained in the area;
7. That all CSC lots were located inside the Protected Area-Marinduque Wildlife Sanctuary under the DENR- PENRO- Protected Area Management Office (PAMO);
8. That accordingly, the said CSC lots were been surveyed and registered thru SRPAO by the personnel of Protected Area Management Office (PAMO) and subject for issuance of Protected Area Community-Based Resource Management Agreement (PACBARMA);

In view that the CSC holders lots fall within Marinduque Wildlife Sanctuary it is recommended for renewal for another 25 years under Protected Area Management Office (PAMO) Office tenurial instrument.
