**Webinar on Empowering Women and Men in the ENR Areas
on Gender-Responsive Climate Change Adaptation and Mitigation**
05 October 2021, Tuesday, 9 am, via zoom platform

PROGRAM FLOW

Objective: To inform women and men participants from 24 climate vulnerable provinces on climate change and influence their behavior to reduce their carbon footprint and adopt gender-responsive, climate-smart and resilient lifestyles.

Specific Objectives:

- To increase the level of knowledge of participants on impacts of, provincial trends, imperatives on adaptation and mitigation in climate change;
- To discuss issues on gender, climate change and disasters, including recommended programs and actions; and
- To discuss behavioral solutions to climate change.
