**Subject: Delivery Truck with FOOD PASS accidentally spilled questionable
lumber**

Dear President Rody:

The herein FB postings by James Deakin of a picture of Delivery Truck with Plate No. CAY 9934 and with FOOD PASS tarpaulin sign which accidentally spilled lumber along the road obviously warrant thorough investigation. We have to identify the Trucking Company, its owners, the driver and helper and find out the truck license to operate source of the lumber, etc. Obviously there is something wrong with the lumber being transported as a food item which might be a product of illegal logging.
