Ms. MA. LOURDES G. FERRER, CESO III
Regional Executive Director
MIMAROPA

Madam:

We would like to follow-up on the action of your good Office regarding the complaint of my clients, the Heirs of Tomas Rogel, which was referred to your Office by the Civil Service Commission in 2017.

The respondent, ALFREDO P. GALASINAO JR., works as a Special Land Investigator at the CENRO Taytay, Roxas, Palawan Office. He abused his authority by filing falsified and fraudulent reports, aiming and succeeding in his plot to drop the name of Tomas Rogel as a claimant in two lots in Crgy. Corong-Corong, El Nido, Palawan. It likewise paved the way for his co-conspirators - Asteria Delos Reyes and Zosimo Dangan to have free patent titles issued in their names.

As payment for his services, a portion of the property was waived in favor of Galasinao. He had the portion titled and sold it to a third person for Php1.7 million. He unjustly enriched himself at the expense of my clients.

As reference, we are attaching the copy of the letter dated Jan. 22, 2020 of Atty. Norlito A. Eneran, LLM., CESO III, Director for Legal Affairs Services, and the Letter of the Civil Service Commission dated 07 September 2017.

We appreciate your reply and action on the matter.

Truly yours,

ANA MARIE V. PAGSIBIGAN

Attorney
