1. This is a call for all concerned regional line agencies, state universities and colleges, government-owned and controlled corporations, local government units, and other agencies to submit priority programs and projects (PAPs) for inclusion in the regional development investment program (RDIP), to synchronize the programming documents, with the FY 2023 budget preparation exercises.
2. Agencies are requested to revisit their respective PAPs to ensure that the said PAPs remain consistent with the goals and strategies identified in the Philippine Development Plan (PDP), Regional Development Plan (RDP), Regional Physical Framework Plan (RPFP), and local development plans and are given the appropriate funding to generate the intended results or outcome.
3. The updating of the RDIP is expected to: (1) include priority or pipeline PAPs for NEDA Investment Coordination Committee (ICC) approval for FY 2023 budget and implementation; (2) identify new priority PAPs for FY 2023 to be funded from GAA, ODA, or through Public Private Partnership (PPP) or other funding sources; (3) update the status of PAPs (include PAPs that are ongoing or funded

but were not in the RDIP) in the 2020, 2021 and 2022 slice of the current RDIP; and (4) identify unfunded PAPs that are included in the current RDIP which can be carried over in the succeeding medium term investment program or can be proposed to be dropped in the RDIP.

4. The provincial and city local government units as well as the congressional district offices are requested to submit new project proposals for funding in FY 2023 to the RLAs copy furnished NEDA MIMAROPA. All projects proposed by the LGUs shall be reviewed by the concerned agencies according to the criteria stipulated in the attached RDIP updating guidelines (Annex A) for inclusion in their updated investment programs.
5. To facilitate the timely submission of PAPs, we are requesting the heads of agencies to designate their Agency RDIP Focals who will be responsible in the submission of duly endorsed/approved priority PAPs for inclusion in the updated RDIP by submitting the accomplished Authorization Form (Annex B) on or before September 17 (Friday).
6. Moreover, we would like to request your designated focals to attend the **online briefing on the updating of the RDIP and the preparation of FY 2023 Annual Investment Program on September 27 (Monday) 1:30 pm via zoom platform.** The briefing aims to orient the agency representatives on the following: (a) updating guidelines; (b) updating process; and (c) how to accomplish the RDIP matrix.
