Dear RED Ferrer,

This is to follow-up our request for your signature as a witness on the co-management agreement of Locally-managed marine protected Area with Puerto Galera.

Rest assured we will be coordinating with you and your field office(s) on our activities in our partners sites.

We have requested a meeting with your PENRO this Monday Sept. 20, 2021 to engage them on future activities and seek guidance as well on our sites.

Very truly yours,

Alain Maulion
