Dear Sir/Madam:

All regional and other offices implementing the Enhanced National Greening Program (ENGP) may now attribute to Gender and Development (GAD) Program, 68.6% of their ENGP budget, in the preparation of their 2022 GAD Plan and Budget.

The Harmonized GAD Guidelines (HGDG) Planning and Design Checklist applied to ENGP by the Forest Management Bureau (FMB) produced a score of 13.72 equivalent to a 68.6% attribution to GAD Program, that may be used by implementers of said program.

Compute your 2022 attributed budget to GAD from ENGP using the following formula: 68.6% x ENGP budget of region/office = amount for attribution to GAD Program. Send the computation sheet to NGFPS along with GPB 2022 by September 30, 2021.

There is no need to prepare and send documents to serve as means of verification (MOV) for the results of applying the HGDG Planning and Design Checklist. FMB has supplied the MOVs for GPB 2022 purposes.

For information and compliance.

Gender and Development (GAD) Office
