SUBJECT : **REPORT ON THE MONITORING CONDUCTED ON THE
CBFM-CARP 2018 ACCOMPLISHMENTS OF CBFM SAN
FERNANDO, ELNIDO, PALAWAN FOR THE 3RD QUARTER
OF CY 2021**

Respectfully submitting is the memorandum report dated September 24, 2021 of FT-II Zion S. Sunit, the designated OIC-Chief, CBFM Unit of this Office on the above subject.

Based on the report of the monitoring activity conducted on September 21-22, 2021, the plantation areas were observed to be not well-maintained and the commodities such as Cacao, Guyabano and Rambutan have high mortality rate due to overgrown weeds. The PO was advised to assist the beneficiaries in replacing the affected commodities. Further, the said PO was granted with tools and equipment by the Pilipinas Shell Foundation, Inc. for Bamboo Nursery establishment. This Office will be conducting a training on Bamboo plantation establishment on October 19-20, 2021 to the selected members of the PO and will hold a meeting with the beneficiaries on October 21, 2021 to tackle concerns on their planted commodities as well as orientation on the forthcoming CBFMA Holder Performance Evaluation.

For information and record.

THRU : The CDS Chief

FROM : The OIC-Chief, CBFM Unit

SUBJECT : **REPORT ON THE MONITORED CBFM-CARP 2018
ACCOMPLISHMENT FOR THE 3rd QUARTER OF CY 2021 OF CBFM
SAN FERNANDO, EL NIDO, PALAWAN**

Respectfully submitting is the report of the undersigned on the conducted monitoring of CBFM-CARP 2018 accomplishment for the 3rd quarter of CY 2021 of San Fernando Agro-Forestry Producers Cooperative (SFAFPC) on September 21-22, 2021 in Barangay San Fernando, El Nido, Palawan.

Please be informed that the undersigned, together with FT II Bienvenido F. Veguilla III and Officers of SFAFPC, had conducted the monitoring on some plantation areas of the CBFM-CARP Project for Calendar Year 2018 of the above people's organization. During the monitoring, it was observed that the visited plantation areas are not well maintained by the beneficiaries. Further, there are commodities such as Cacao, Guyabano and Rambutan with high mortality because they were covered by overgrown weeds. The undersigned advised the PO that they should find their way to help the beneficiaries in replacing the affected commodities.

On the other hand, the said PO was granted assistance by the Pilipinas Shell Foundation, Inc. with tools and materials for Bamboo Nursery establishment. This Unit, together with some of the NGP Extension Officers of this Office will be conducting a training on Bamboo plantation establishment on October 19-20, 2021 to the selected members of the PO. This opportunity will be of great help to them especially in their Bamboo project that can provide seedlings to replace the affected commodities.

The CBFM Unit will also be conducting a meeting with the beneficiaries on October 21, 2021 after the General Assembly meeting of the PO (election) to tackle concerns on their planted commodities as well as to orient them on the forthcoming CBFMA Holder Performance Evaluation.
