PGEN. GUILLERMO LORENZO T ELEAZAR

Chief

Philippine National Police

PNP NHQ Camp General Crame, Quezon City, Metro Manila.

Dear **Chief PGen. Eleazar**:

Greetings from the Presidential Communication Operations Office!

The PCOO, in partnership with the Department of Interior and Local Government (DILG) and the Philippine National Police (PNP), will hold a nationwide simultaneous launch of the **Duterte Legacy: Barangayanihan Caravan Towards National Recovery** in all 17 regions in the country on **30 September 2021**.

The Duterte Legacy: Barangayanihan Caravan is a collaboration with all the government agencies, as well as volunteers from the private sector, particularly the Global Coalition of Advocacy Support Groups and Force Multipliers. This project aims to inform the public about the government's programs, policies, accomplishments, and efforts to bring about real change to the lives of the Filipino people by showcasing real stories from the beneficiaries in their respective localities of the administration's landmark policies and programs. Furthermore, the caravan intends to bring the basic services of the government to the grassroots level and will offer on-ground activities for the participants.

In line with this, we would like to seek the assistance of the Philippine National Police, specifically the Office of Operations and Office of the Directorate for Police Community Relations to facilitate the caravan on-ground. We would also highly appreciate the help of your regional offices in helping us with the logistics, security, and manpower.

We hope that this partnership will be a fruitful one, to cement the legacies of the national and the local government to all Filipinos.

Attached in this letter is our target program flow. Queries regarding this matter may be directed to **Ms. Fem Padillo** through +639276133700 or +639271159636.

Your favorable response merits our highest degree of appreciation.

Sincerely yours,
