Natural Resources Officer
Taytay, Palawan

Sir,

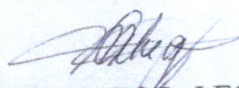

Greetings in Peace and in Good Health!

I am writing this letter to inquire and / or follow-up the status of our proposed Boardwalk Project of Barangay Local Government Unit of Barangay Sandoval, Taytay, Palawan.

The said boardwalk project will serves as the access road for the community doing day to day activity especially on fishing for their livelihood because the Sandoval river is inaccessible for boat during the low tide. In this regard, we humbly request to your good Office to consider the said Memorandum of Agreement (MOA) because it is one of the requirements for the downloading of funds for the said project that will be due before the end of this month.

Hoping for your kind consideration and favorable action.

Respectfully yours,

MANUELITO L. LEGION
