M. Remarks:

1. Every Cleanup, it was observed that the residents are not participating for the activity and more of the trash that was taken on the coastal areas are located near the vicinity of every house situated in the coastal.
2. Stakeholders in Coron, Palawan specially organizations such as NGA's, NGO's and etc are so much willing to participate for every cleanup.

N. Recommendation:

1. It is recommended that the LGU programs for Solid Waste Management be intensified and should be strictly implemented.
2. LGU and Barangay LGU should conduct regular cleanup day, but it should pass through a resolution and ordinances so that residents also is mandated to participate every clean-up day.
