**SUBJECT :** **LEVELLING OFF MEETING REGARDING THE GREEN  
ECONOMY MODEL (GEM) FOR EL NIDO, PALAWAN**

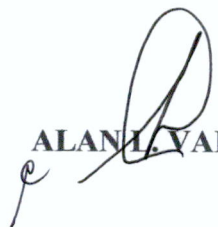

This pertains to the implementation of the Green Economic Model (GEM) project in El Nido, Palawan. In view that the project will be implemented by multiple agencies, this Office finds it necessary to level off with partner implementing agencies prior the finalization of its Master Plan.

In line with this, this Office respectfully requests for your presence and of other concerned personnel to be involved in the implementation of the said project on the virtual levelling off meeting about the project on **September 10, 2021 (9:00AM)** for concerned DENR Offices and **2:00PM** with partner agencies. The activity will be held via zoom and the link will be furnished as soon as possible. Attached is the working draft of the GEM Master Plan for your further review and comments.

For consideration.
