MA. LOURDES G. FERRER, CESO III
Regional Executive Director
DENR MIMAROPA

Dear Madam,

This has reference to DAO 2021-27 dated August 3, 2021 prescribing guidelines for the issuance of Provisional Agreement for all Tenure Instrument under the Forestry sector. Our company has applied for a 25-year Pasture Lease in Coron Palawan since 2017. We have completed all documentary requirements prescribed by the DENR guidelines except the FPIC from the NCIP which has been pending. We have in fact accomplished several requirements to secure the FPIC. In our last letter to NCIP Regional Director Roberto L. Almonte dated September 28, 2020 (copy attached) We inquired if it is possible to proceed under the present Pandemic situation with the tribal meeting in order to secure the Free and Prior Informed Consent (FPIC) of the indigenous tribe of the applied area since our Pasture Lease application is on hold pending the submission of the Certification from NCIP (see attached DENR letter), no advise yet from the Regional Director of NCIP is receive regarding this matter.

In this regard, may we respectfully request for the issuance of the Provisional Agreement per DAO 2021-27 as we have complied with all the requirements.

Very truly yours,

ALEXANDER B. CARLOS
President
