Dear Maam;

I hope this letter finds you well. A friend of mine from Brooks Point is asking my help to follow up the Renewal of License for Almaciga under representative Rolly Maludin of Samahan ng Palawan at Kene'yng Brgy Mainit Brooks Point, Palawan. It has been brought up to our attention that the natives/indigenous people in the said area are already starving and famished.

Looking forward to your kind help and favorable response.

Thank you.

Very truly yours
