## MEMORANDUM

FOR : The Regional Executive Director  
DENR MIMAROPA Region  
1515 L&S Building  
Roxas Blvd., Ermita, Manila

FROM : The Assistant Secretary for Policy, Planning and Foreign-Assisted and  
Special Projects and Director, in concurrent capacity

SUBJECT : **SUBMISSION OF PROPOSED SITE FOR THE CONSTRUCTION  
OF SMALL WATER IMPOUNDING STRUCTURE (SWIS) FOR  
CY 2022**

DATE : **APR 15 2021**

This pertains to the submitted documents pertinent to the establishment of Small Water Impounding System (Spring Development) within Sitio Alipondo, Barangay Tanyag, Calintaan, Occidental Mindoro.

Review and evaluation conducted by this Office disclosed that the proposed SWIS (Spring Development) is intended to: 1) provide water for domestic use of 140 households; 2) sustain the water needs on their agricultural areas; and 3) to support the established 2020 ENGP bamboo project site.

In this regard, this Office would like to reiterate that the functions of SWIS, based on FMB Technical Bulletin No. 13-A entitled Supplemental Cost and Design for Small Water Impounding System (Spring Development), are: a) ensure the sustainable supply of water for effective management and maintenance of established plantations; b) enhance and stabilize the condition of soil; and c) help eliminate and reduce the impacts of flooding and severe soil erosion. The provision of water supply for domestic and agricultural use are not included in our mandate. Hence, this Office interposes no objection to the proposed establishment site at Sitio Alipondo, Barangay Tanyag, Calintaan, Occidental Mindoro provided that it will prioritize the provision of water supply to the established plantations, among its other functions stated under FMB Technical Bulletin No. 13-A.

FOR YOUR INFORMATION, PLEASE.

**MEMORANDUM**

**FOR :** The Director, Forest Management Bureau  
Visayas Avenue, Diliman, Quezon City

**FROM :** The Regional Executive Director

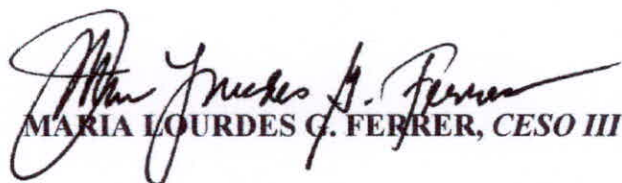

**SUBJECT :** **SUBMISSION OF PROPOSED SITE FOR THE CONSTRUCTION  
OF SMALL WATER IMPOUNDING STRUCTURE (SWIS) FOR  
CY 2022**

Respectfully forwarded is the Memorandum dated December 22, 2020 of the OIC-PENR Officer Ernesto E. Tañada of Mamburao, Occidental Mindoro, submitting the required information/documents on the proposed Small Water Impounding System (SWIS) structures to be established in Sitio Alipondo, Barangay Tanyag, Calintaan, Occidental Mindoro as follows:

1. Technical description survey of the site using GPS and the GPS reading of the specific location of the SWIS
2. Detailed engineering design including BOM and cost estimates; and
3. Geo-tagged pictures and plotted GIS map output of the watershed where the SWIS will be established.

For information, consideration and approval.

  
MARIA LOURDES G. FERRER, CESO III
