Dear Dir. Ferrer,

Greetings from *Filinvest Hospitality Corporation*!

This is in reference to our proposed hotel-resort development situated in Barangay Banca-Banca, Puerto Princesa City, Palawan. We had filed an application for the granting of Foreshore Lease before the office of CENRO Puerto Princesa on 24 October 2019, for the 24,765 square meter foreshore area fronting to our properties in the mentioned location. The subject foreshore areas have an approved foreshore plans, **FLI-045316-67-D** and **FL-IV-26-170-D**, issued by CENRO Puerto Princesa and are registered under the name of Sylvia Pollyanna Pendon-Bariou – which is also the previous owner of our properties.

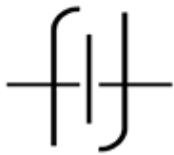

However, as per our last follow up on the status of our application, CENRO had informed us that they put on-hold of our application as they are still waiting for the response of Regional Office on their request for the clarification and/or legal opinion regarding foreshore lease applications covered with approved plans which are within mangrove areas located in Puerto Princesa City. We are able to secure a copy of the memorandum from CENRO dated 27 March 2020 to be sent to Regional Office, through PENRO Palawan which they received last 06 May 2020. Attached herewith the said memorandum, for your reference.

With this, we are requesting for your kind assistance for the current status of the request of CENRO Puerto Princesa for the continuation and processing of foreshore lease applications in the area. Your kind and favorable response will also help us to continue our planning phase and promote development of the proposed project.

For your reference, and we are hoping that our request merits your kind approval. For inquiry and further clarifications, please feel free to contact the undersigned at 0998-5860883 or email at randolph.quiling@filinvesthospitality.com
