Good Say!

I would like to make a follow-up for the name cancellation of Map Plan I requested I had my documents check at DENR CEBU, REGISTRY of DEEDS and city assessor and field if already. As per them they will wait for your command / authority approval and mandatory for them to do the necessary. Its been a long time Mr. President that my complain started. I extended so much effort even though its too hard for me, but then I stand with my two feet fighting this battle. And I know justice will prevail.

In other hand, I received a letter coming from Carmen Copper Corporation "CCC" as per them they deny my claim. Now I will attached the Lot Data computation / Technical Description from bureau of lands for the Lot 6439. Its clearly shown the area and Lot No. in the Tax Map it matched with the the Lot No.6478 awarded to my grand Father's Torrens Title system.

Please do check my evidences as I will attach this to my letter.

I hope you will notice me and will help me.

Thank you. .
