MEMORANDUM

FOR : The Regional Executive Director
DENR-Region IV-B (MIMAROPA)
1515 L&S Bldg., Roxas Blvd., Manila

FROM : The Assistant Director
Officer-In-Charge, Office of the Director

SUBJECT : **REPORT ON THE INVENTORY OF INLAND WETLANDS
WITHIN THE PROVINCE OF ORIENTAL MINDORO**

DATE : **APR 21 2021**

This is to acknowledge receipt of your Memorandum on the above subject, together with the shapefiles and geotagged photos of inland wetlands.

The following are our comments and recommendations on the submitted inland wetlands inventory:

1. Based on our records, all inland wetlands except Naujan Lake and Caluangan Lake are yet to be assessed. Thus we recommend the assessment of these inland wetlands to prioritize those within the boundary of Naujan Lake National Park. Thereafter, appropriate measures should be implemented to conserve, protect, and manage the flora and fauna thriving in the concerned areas, the ecosystem services offered by the wetlands, and the wetlands per se, given that most reported wetlands are already utilized for ecotourism activities.
2. May we request for the copy of the Caluangan Lake Management Plan for review and records purposes.

For your information and consideration.
