Madam,

Good day,

I am writing this email to query regarding the status of FLAGT Application of Pangatalan Island in Bgy. Depla, Taytay, Palawan. As part of the development of the Tourism Industry in Taytay, we would like to include this island as one of our best examples of a soundly managed island ecosystem in Taytay.

Upon discussion with the managers of the island (and current occupants) they have already submitted the required documents as you may peruse on the attachments herewith.

In line with this, we kindly request for an update on the status of their application. Should there be any lacking requirements from their end, kindly let us know as well so that we can assist them in whatever way we can.

Thank you very much and we look forward to hearing from you soon.

Sincerely yours,

Joie D. Matillano
