Dear Director Ferrer,

A conservation day to you!

The Mindoro Biodiversity Conservation Foundation Inc. is an organization registered to the Securities and Exchange Commission of the Philippines on March 19, 2008. MBCFI is an accredited organization with the Philippine Council for NGO Certification, Department of Environment and Natural Resources in 2020, Department of Science and Technology, Association of Foundations, Provincial Governments of Oriental and Occidental Mindoro, Calapan City, and an acknowledged partner of the Department of Education and the National Council for Indigenous Peoples. We are also one of the six (6) NGOs in the Philippines to become a member of the International Union for Conservation of Nature (IUCN). Our organization continues to promote greater awareness and concern for Mindoro's environment through improved information campaigns, capacity building, empowering communities and enjoining them in the formulation and implementation of responsive policies for effective resource management and conservation.

MBCFI envisions a sustained conservation of Mindoro's natural resources for future generations. The organization's mission is to lead scientific research and catalyze collaborative and participative conservation efforts in key biodiversity areas of Mindoro resulting in empowered Mindorens through increased awareness and care.

We are submitting this **letter of intent for the renewal of our accreditation** by your good office. Please see attached copy of our 2020 accreditation with reference number MIMAROPA-2019-002.

PUBLIC NOTICE

We would like to inform the general public that our MBCFI Office in Alabang will no longer be in operation. We are sad to let go of this place as it served as our home base for a number of years but we decided to adopt alternative ways of working due to the current pandemic situation. However, our Calapan Office is still open and the Mindoro Biodiversity Conservation Center will soon rise in Puerto Galera.

You can still connect with us virtually via our website and by following our social media accounts. We hope to see you at the Mindoro Biodiversity Conservation Center in Puerto Galera. Until then, stay safe and stay tuned for updates!
