

Republic of the Philippines
Republic Act No. 7611
PALAWAN COUNCIL FOR SUSTAINABLE DEVELOPMENT

22 April 2021

MR. ERIBERTO B. SAÑOS

Provincial Environment and Natural Resources Officer
Department of Environment and Natural Resources-PENR Office
Sta. Monica, Puerto Princesa City

Dear PENRO Saños:

Greetings of peace and safety from any harm!

May I earnestly request a certified true copy of the latest approved Land Classification Map of the municipalities of El Nido and Taytay. The said Land Classification Map will be used by our PCSDS technical staff in collaboration with the aforementioned LGU in updating their respective ECAN Zoning map. The 15-year old ECAN Zoning maps of these municipalities were approved by the Palawan Council for Sustainable Development (PCSD) in 2006, hence already overdue for amendment.

Based on the SEP Law, the ECAN Zoning map is a vital document, it serves as a framework in the formulation/updating of the LGU's Comprehensive Land and Water Use Plan as mandated by Section 20 of the Local Government Code of 1991 (RA7160).

We look forward to your usual kind support and favorable action.

Thank you and Godspeed!

Very respectfully yours,

ATTY TEODORO JOSE S. MATTA
Executive Director

Vision: Palawan, an innovative and dynamic global center of sustainable development
Mission: PCSDS as the driver of environmental conservation and inclusive development in Palawan, a biosphere reserve and science-for-sustainability site, guided by the Strategic Environmental Plan
