Dear **Governor Gadiano**;

Greetings!

This is to acknowledge receipt of your letter endorsing the qualified proponents for the issuance of Dredging Clearance and Environmental Compliance Certificate (ECC) for the River Restoration Program through dredging and desilting activities of the Heavily Silted Rivers in Occidental Mindoro.

Please be reminded that pursuant to Inter – Agency Committee (IAC) Resolution No. 9 and the decisions made during the previous IAC meetings, the following shall be complied and submitted to the IAC prior to the endorsement of the qualified proponents for the issuance of ECC, to wit;

In this regard, please inform the qualified proponents that the processing of the ECC application for the dredging and desilting projects will only commence after the submission and approval / adoption of the said requirements by the IAC.
