This is in relation to your memorandum, dated March 26, 2021, received by the OASECFOV on April 6, 2021 regarding the submission of MIMAROPA's Final Proposal for the BP2 Program.

In your memorandum, you have delisted in MIMAROPA's Final Proposal for the BP2 Program the initial proposed resettlement site in Palawan and retained the one in Occidental Mindoro. Notwithstanding, there was an email from the CABSEC, requesting DENR to identify and submit a proposed resettlement site in Palawan for the Yolanda Permanent Housing in Palawan.

Kindly update us if your Final Proposal for the BP2 Program will include only the site in Occidental Mindoro or you will still identify and submit a proposed resettlement site in Palawan for the BP2 Program.

We look forward to your prompt action on the matter.

Thank you.
