Dear **Dir. Ferrer**:

Greetings!

The Agricultural Training Institute (ATI) through the collective efforts of various stakeholders (LGUs, NGAs, SUCs, and the private sector) crafted the **National Extension Agenda and Programs (NEAP)**, as well as the **Agriculture and Fisheries Extension (AFE) Strategic Plan for 2017-2022 and its enhanced version (2020-2022)** to propel the AFE in achieving its vision of a unified, competent and committed service for the agri-fishery industry. With recent events that continuously impact the landscape of the global and local economies, particularly the Philippine agriculture sector, the ATI is keen on assessing the implementation of the NEAP and AFE strategic plan. This is to assess the policies set forth by the NEAP together with measuring the success of the AFE strategic plan in terms of its efficiency and effectiveness.

As our partner in the delivery of extension services, may we request you through your **Agriculture and Fisheries Extension Network (AFEN) Focal Person or the representative/s involved during the consultation or planning workshops relating to the aforementioned documents** to accomplish the attached survey form. Kindly send back the filled-out survey form on or before May 7, 2021, Friday, through e-mail address ppd.co@ati.da.gov.ph. Your inputs will help the ATI in ensuring that it is on track in addressing AFE services and sectoral challenges, and in developing the next agenda and roadmap for the AFE services.

Should there be any queries and/or request for an electronic copy of the survey forms, the NEAP and strategic plan documents, your focal person/representative may contact Mr. Joshua Aninacion or Mr. Kim Maverick Narvaez of the ATI-PPD through telephone number (02) 929-8541 local 267 / 09479914009 or through e-mail address ppd.co@ati.da.gov.ph.

Thank you very much for your cooperation. More power!

Truly yours,

ALFREDO S. ATON, MPS-DM
Director IV
