Coordination to COVID -19 patients among our workforce are being monitored by the respective COVID-19 focal person per CENRO. Enhanced preventive measures are being implemented in all DENR Offices in the province of Palawan as response to the current cases. Immediate disinfection and decontamination of the workplace premises were conducted. Coordination to all close contacts of the COVID-19 positive personnel and other necessary measures regarding this are being prioritized as we continue to look after the health and safety of all our workforce.

For information and further instruction.
