Dear **Director Ferrer:**

Greetings!

I hope this letter finds you well. The Department of Education and the Department of Environment and Natural Resources have always worked together hand in hand in ensuring that our learners will have school sites where they can receive their education comfortably.

May this Office respectfully inform your Office of a concern involving the school site of El Nido Central School located at Brgy. Maligaya, El Nido, Palawan, which was brought to our attention and upon evaluation of the records, the same had been brought to your Office as well. Attached are DENR MIMAROPA Memorandum dated December 7, 2018, where your Office has requested the PENR Officer in Sta. Monica, Puerto Princesa City, to conduct a verification survey of the school site, and a Letter dated September 9, 2019 to the representative of Indigenous People of El Nido.

Relative thereto, may this Office respectfully request a copy of the Verification Survey Report for the purposes of documentation to aid us in determining whether the El Nido Central School is situated within the ancestral domain of the concerned Indigenous Cultural Communities in the area.

This Office anticipates a favorable action on our request.

Thank you very much.

Sincerely,

NICOLAS T. CAPULONG, PH.D., CESO V
