Good day!

May we please be informed about the status of lands that we requested for verification?

Thank you very much.

Good day ma'am/sir!

May you please refer us to someone in your office to accommodate the Provincial Government for an inquiry relative to parcels of land in El Nido Palawan where we intend to construct the El Nido Solid and Sewage Waste Treatment Plant.

We obtained varying facts that the lands were classified as Timberland in accordance with the existing repository of records from Taytay, Palawan CENRO, however, the landowners have presented us with DENR Regional Office's approved subdivision plans, which will only be approved with the premise that they are classified as Alienable and Disposable.

Kindly give us a call through Ms. Pereira at 09123370208.

Regards,

Provincial Government of Palawan
