Dear Madame,

**Subject: Subdivision Plan, Vicinity Map, Calunape, Lourdes,
Magsaysay, Occidental Mindoro**

Greetings!

I hope this letter finds you in good health despite the prevailing state of public health emergency that is still in place.

I am writing your good office in the hope of finding and obtaining a copy of the vicinity map/subdivision plan of a certain property in Calunape, Lourdes, Magsaysay, Occidental Mindoro. I have inquired from the DENR office in San Jose, Occidental Mindoro and was informed that such documents are not available in the office, hence I was advised to escalate my concern to the regional office of DENR. A similar inquiry with the Provincial DAR Office here in San Jose, yielded negative result.

The available document reference I have in my possession is the attached subdivision plan for Lot No. 1, F-V-9-1-1317-D which I was able to obtain from the DAR Provincial Office here in San Jose, Occidental Mindoro. Please refer to Exhibit 1 below.

The points of interest to me are as follows:

1. The area of Lot No. 3, F-V-9-1-1379-D and its other boundaries to the North, West and South. I would like to request for a copy of the subdivision plan.
2. Lot No. 2, F-V-9-1-1317-D and its corresponding area and boundaries, as there is no apparent reference to this lot, in the subdivision plan. I am

interested in finding out where is the location of this lot as it appears to be missing based on information on the subdivision plan in Exhibit 1.

3. Whether Lot No. 3 and No. 2 are alienable land open for application.

I would highly appreciate if your good office would provide the above mentioned information and/or document that would be useful in pursuing possible land ownership application with the DENR in San Jose, Occidental Mindoro.

Thank you and I look forward to your response in due course.

Very truly yours,

ENRICO C. ESTORNINOS
