Dear Engr. Glenn Marcelo Noble,

Greetings from Palawan!

My name is Keith Anthony Fabro and I'm a freelance journalist affiliated with [Mongabay.com](https://mongabay.com), a US-based nonprofit environmental news site. Currently, I'm pursuing this [story](#) which mentions Pyramid Hill Mining and Industrial Corporation.

I'd like to confirm with you if this Sitio Abukayan, Barangay Panitian in southern Palawan's Sofronio Espanola town is part of this 25-year [MPSA](#) that the aforesaid mining firm obtained in 2001.

If so, I also want to know if this "forestland clearing" reported by PNNI is part of the government-approved preparatory activities for the mining operation in that area.

Thank you very much for your response.

Respectfully,

Keith Anthony S. Fabro
