Dear Sir/Ma'am;

Good day!

First, we hope and pray that you, your staff and your families are all in good health.

We would like to introduce to you our company, **RASA Surveying Instruments (RSI)**. RSI is the exclusive distributor in the Philippines of Hi-Target brand of surveying equipment. HI-Target is the largest manufacturer of surveying equipment in China and is listed in the stock market. Since 2011, we have been supplying surveying equipment to major government agencies like DPWH, NAMRIA, DENR, DA, NIA, etc.

Our mother company **RASA Surveying and Realty (RSR)**, on the other hand, has been providing surveying services since 1994 to both government agencies and major private companies (contractors, developers, engineering design, etc.). Just last year, another company was formed under the RASA group, **QUANTUMLAB GEOSOLUTIONS, INC.** Quantumlab is the exclusive distributor in the Philippines of Titan brand of surveying equipment from SATLAB GEOSOLUTIONS. Aside from Quantumlab also provides specialized surveying equipment like 3D laser scanners, various hydro equipment, drones, lidar.

We enclose herewith a brochure of the various equipment we are offering. Should you be interested in any of the equipment in our product portfolio, please do not hesitate to contact us. We will be more than willing to discuss the details with you.

Thank you very much for your time in reading this letter and we look forward to hearing from you soon.

Very truly yours,

DANTE MUHI

Technical Sales Specialist
